# MISSION

To develop, build and service Southern Africa's requirements for better living, working and traveling conditions in order to improve the quality of life for all. The company is dedicated to maintaining professional standards within the Civil Engineering Industry. Amukelani Nhlamulo Civil Engineering (Pty) Ltd is committed to putting its Clients first and to promote long-term relationships within the Private and Public sectors.

# STRATEGY

Amukelani Nhlamulo Civil Engineering (Pty) Ltd objective is to deliver optimal cost-effective solutions that fulfill the Client's, Engineer's and Local Authority's specifications and requirements expeditiously, and with complete legitimacy. Our success greatly depends on our proven capability to adapt to the unique, changing and challenging developmental needs of Southern Africa.

# HUMAN CAPITAL

In support of local Socio-economic upliftment, additional human resources at an annual average in excess of 400 part time staff are appointed and source from the local communities within which projects are located

# AMUNHLAMU CARES

Through our comprehensive community programs, we help and support schools & residents in the local communities with the necessary tools to build their future.

## People Development

Amukelani Nhlamulo Civils, promotes the empowerment of communities and are determined to leave a legacy in the areas which we operate in. We therefore have a dynamic development plan to involve, train and uplift local SMME contractors, suppliers and community members in all our areas of operation.

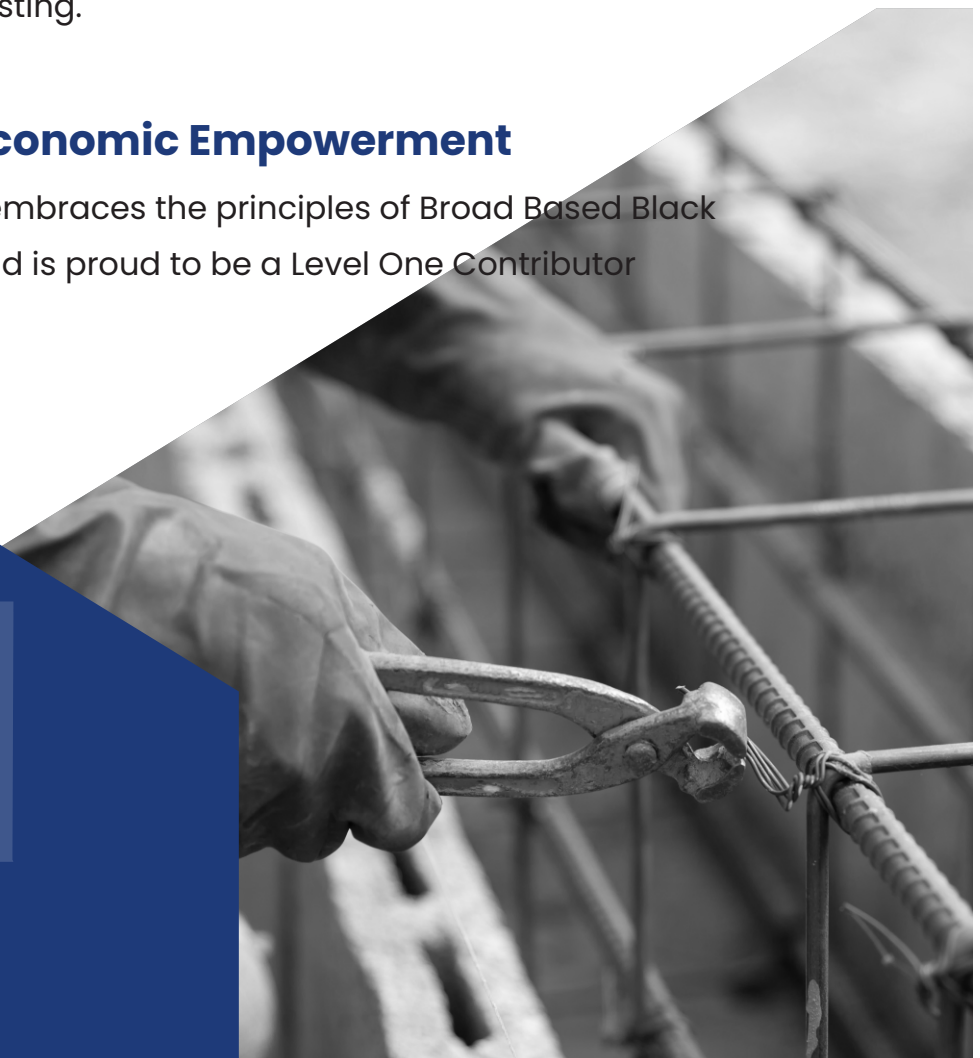

## Fight against HIV /AIDS

Amukelani Nhlamulo Civils has established a comprehensive HIV / AIDS Intervention Programme that promotes awareness and offers employees voluntary counseling and testing.
